

URGENT PRODUCT INFORMATION

Coosemans Urgent Recall

Summary Coosemans has issued a recall for multiple produce items because there is the possibility that the products were exposed to possible elevated coliform levels and may cause illness.

Recall Date 4/12/2024

Company Coosemans

Product Multiple Produce Items

Reason Possible Elevated Coliform Levels

Illness Diarrhea, cramps, nausea, headaches or other symptoms. Infants, young children and people with compromised immune systems are at a higher risk.

Instructions Please isolate any affected product (see below table) and destroy it in a secure manner to prevent unauthorized consumption. If you have product stored out of the case and are unsure of the code date please destroy this product also. For credit, contact your sales representative or your local Gordon Food Service Store if you purchase in the store. Please note that proper procedures must be followed and these cases may not be returned to your distributor. If you have further distributed any of these products, then you are responsible to notify all consignees of this recall.

The recall includes only the below items and lot codes that were sold by Gordon Food Service.
